5. In connection with this motion, GEICO compiled a tax identification payment run (“TIN Run”) setting forth the amount of payments that GEICO voluntarily made

¹ Please note that, in order to simplify this motion against the multiple defendants herein, GEICO is not seeking a default judgment on its Twenty-Sixth and Twenty-Seventh Causes of Action for RICO association in fact fraud, since the defaults under the other claims are sufficient redress for GEICO.

based on claims submitted or caused to be submitted by Defendants through Arisdov Medical, P.C., Harmony Anesthesiology, P.C., Medical One New York, P.C., Park Slope Medical One, P.C., Park Slope Medical One Complete Services, P.C., Jamaica Medical One, P.L.L.C. The TIN Run draws payment information from GEICO's earnings reporting system, from which IRS Forms 1099-MISC are generated for payees and to report to the Internal Revenue Service. When a payment to a healthcare provider is authorized by GEICO, the designated information is inputted into GEICO's systems, which in turn generates a check that is issued and catalogued according to the tax identification number of the payee. The information in GEICO's earnings reporting system from which the TIN Run is generated is compiled and maintained in the ordinary course of GEICO's business.

6. GEICO also compiled claim information ("Claim Run") setting forth the number and amount of claims (i.e. bills) that were submitted to GEICO through the Defaulting Defendants. The Claim Run draws information from GEICO's claim system. When a healthcare provider submits a bill seeking payment to GEICO, the information contained on the bill (including name of provider, claim number, tax identification number, patient name, CPT code, item description and amount charged) is entered into the system before any action is taken with respect to the bill. The information in GEICO's claim system from which the Claim Run is generated is compiled and maintained in the ordinary course of GEICO's business.

7. GEICO also compiled litigation data ("Litigation Runs") identifying all active lawsuits in which the PC Defendants seek payment from GEICO for services that the Defaulting Defendants purportedly provided. The Litigation Runs also draw information from GEICO's claim system. When a healthcare provider initiates a lawsuit seeking payment from GEICO, the information associated with the lawsuit (including the name of the case, the amount sought and

the venue) is entered into the claim system before any action is taken. The information in GEICO's claim system from which the Litigation Runs are generated is compiled and maintained in the ordinary course of GEICO's business.

8. Attached as Exhibit "1" are the TIN Runs for Arisdov Medical, P.C., Harmony Anesthesiology, P.C., Medical One New York, P.C., Park Slope Medical One, P.C., Park Slope Medical One Complete Services, P.C., Jamaica Medical One, P.L.L.C. by GEICO in connection with the claims that were submitted or caused to be submitted to GEICO through Arisdov Medical, P.C., Harmony Anesthesiology, P.C., Medical One New York, P.C., Park Slope Medical One, P.C., Park Slope Medical One Complete Services, P.C., Jamaica Medical One, P.L.L.C.

9. Based upon the TIN Runs, GEICO voluntarily paid \$127,043.92 in reliance on Defendants' billing, for which it claims recovery in this action. In particular:

- A. \$32,227.93 to Arisdov;
- B. \$7,927.39 to Harmony;
- C. \$14,775.79 to Medical One;
- D. \$4,126.08 to Park Slope Complete; and
- E. \$67,986.73 to Jamaica Medical.

10. Attached as Exhibit "2" is the Claim Run, identifying all of the claims that were submitted to GEICO by the Defaulting Defendants.

11. Attached as Exhibit "3", is the Litigation Run, identifying all currently active lawsuits in which the Defaulting Defendants seek payment from GEICO for healthcare services.

12. Based upon a review, analysis, and comparison of the TIN Run, the Claim Run, and Litigation Run, the amount of unpaid claims that actively are in dispute between GEICO and the Defaulting Defendants is \$5,262,794.98.

I declare under penalty of perjury that the foregoing is true and correct. Executed at Woodbury, New York on September 22, 2016.
